

SCSBOA Orchestra Festival

Timeline

Basic Information

What: SCSBOA Orchestra Festival

Where: Mira Mesa High School

When: Tuesday, March 17th

Basic Reminders

The first groups will be arriving on campus before 3:00 PM. The festival runs all afternoon and evening, so please know that there will be a group performing at ALL TIMES and in VARIOUS LOCATIONS around campus (the band room, the theater, and the ASB room).

Mira Mesa High School is the host school for this event, so please be prepared to assist other teachers and students as is necessary. We want to make sure that we represent ourselves well not only in performance, but also in our professionalism.

Should you elect to watch another group: (1) enter only BEFORE the group begins, and (2) stay for the ENTIRETY of the group's performance. You may clap politely after each selection, but remember, the adjudicators will be working throughout so the expectation is that the audience is silent.
