

MUSIC IN OUR SCHOOLS MONTH® 

### Music In Our Schools Month

The purpose of *MIOSM* is to raise awareness of the importance of music education for all children – and to remind citizens that school is where all children should have access to music.

#### How can you get involved?

Email a school administrator thanking them for their support of music education

Encourage the Board of Education to allocate *Elementary and Secondary Education Relief Act (ESSER)*, Title I, and *Title IV* funds from the *Every Student Succeeds Act (ESSA)* towards music education

Share pictures and experiences on social media to highlight music education

Explore how music education supports social and emotional learning in students and share this information with decision makers in your school and community

#### Support Mira Mesa
