

Go to Starbucks and earn money for orchestra
(or VONS, Target, and Panera for that matter)

- Instead of using cash or your credit card, buy a gift card through the MMIMB Gift Card program, and use that for payment for your purchases.
- There are many cards available for purchase through the MMIMB Gift Card program; visit www.shopwithscrip.com for a complete list of cards.
- You get the full face value of the card, and Orchestra gets a percentage back.
- You may reload many of the cards directly through the website (via PrestoPay), which not only saves time, but supports our orchestra.

The earning potential from the MMIMB Gift Card program could be worth thousands of dollars each year.

- If 110 Orchestra students bought a **\$10 Starbucks card** every month, Orchestra would earn **\$77 a month** or **\$693 for the entire school year**. If 100 Orchestra families bought a **\$100 VONS card** every month, Orchestra would earn **\$400 a month** or **\$3600 for the entire school year**. *You didn't spend anything extra; you simply just pay for your purchases with these gift cards instead of using your credit cards or cash.*
- Re-loadable gas cards are also available!
- Create an account at www.shopwithscrip.com and use MMIMB's enrollment code: **LB285DLF33861**; make sure you type Orchestra under classroom/group **OR** go to Orchestra's website www.miramesaorchestras.org to download an order form and return it with payment by check made out to MMIMB with your student.
- Orders are placed monthly; please email Holly at hdshilley@yahoo.com for any questions. (Sarah Barrett is the MMIMB gift card program coordinator; her email address is sbarrett@san.rr.com).

Save time and reload your gift card on the go!
