

MIRA MESA HIGH SCHOOL  
PERFORMING ARTS DEPARTMENT  
*Instrumental Music Program - Matthew Mulvaney*

---

October 5, 2011

Mira Mesa Orchestra Community,

The 2011-12 academic year is now well under way! Once again, the instrumental music program at Mira Mesa High School is busy planning an eventful year for our student-musicians. This year, the orchestra program has expanded to include two introductory sections of orchestra in addition to the advanced orchestra class.

The orchestra program at Mira Mesa is committed to ensuring music education opportunities are available to our entire student population. To ensure that a music education is not financially exclusive, the program has undertaken significant financial responsibilities on behalf of our student-musicians. To guarantee that access to music education is available to all, the orchestra program will provide access to an instrument for every student who requires one, free of charge. To meet the increased demand for instruments, the program has acquired additional instruments on a temporary basis, and has absorbed the entirety of the costs.

While the program is happy to provide an instrument or opportunity to anyone who expresses an interest in music, we cannot claim that this feat happens without incurring any expenses. In addition to covering expenses associated with acquiring instruments, the program also absorbs transportation, professional coaching, equipment, resource, and field trip costs, as well as festival fees.

The Mira Mesa Instrumental Music Boosters (MMIMB) are a registered 501(c)(3) organization. All donations to the music program are entirely tax-deductible. To show your support for our program and students, please consider making a donation to the Mira Mesa Instrumental Music Boosters (MMIMB). The tax identification number associated with the organization is #95-3492413.

Please review the enclosed sponsorship information or conveniently make a donation online at [miramesaorchestras.org](http://miramesaorchestras.org). Donations made through the website are also tax deductible, and a receipt will be automatically generated. Any donation, large or small, will go a long way in supporting our students.

Again, on behalf of our aspiring student-musicians, thank you for helping ensure the continued availability of resources and opportunities at Mira Mesa High School!

Sincerely,

Matthew S. Mulvaney
