A LOOK BACK AT THE FALL

Our students not only participate in weekly coaching sessions with professional musicians on their respective instruments, but have also been afforded a variety of additional opportunities this fall, including: in class and outside quartet performances, a guest concert by the *Hausmann String Quartet*, master classes with SDSU Viola Professor Travis Maril and Community Music School Director and cellist Carina Voly, a clinic with friend of the program Mr. Gary Horimoto, a guest performance by viola/cello duo *Duo Nouveau*, and tickets to the *Boston Pops Orchestra*.

With your support, we will continue to work to provide our students with the best opportunities possible.
